Good afternoon Ms. Parker –

It would help us with the traffic/parking planning to/from the LA Fleet Week remote lots if you could present the proposed times for the PBID trolley(s) hours of operation on the public tour days listed below:

Friday, September 2 –

Saturday, September 3 –

Sunday, September 4 –

Monday, September 5 –

Additionally, if you plan to phase trolleys in/out of service throughout the day, please let us know the proposed times and quantities of trolleys in each period.

This information will help us to plan for the heavier traffic patterns during the public tour event days.

Please call me if you have any questions on this request.

Thank you.
